

TTR Seeking to Locate, Acknowledge and Remember Our Missing Children – Phase I

MEETING INVITATION

Dear TTR Members,

TTR is working on a new research/engagement project that is seeking to accurately identify members who attended residential schools based on official data with the objective of reducing the gap in information and building awareness.

As you may be aware, in our last meeting (February 11th, 2025), we shared the preliminary list of TTR members that attended residential school based on official archives available.

As we move forward with the preparation of the final report for this preliminary research phase, we want to invite you to a new meeting that intends to:

- a) Facilitate official forms for Survivors and Intergenerational Survivors who wish to request records from the National Centre for Truth and Reconciliation (NCTR).
 - It is important to note that if you are requesting information of a Survivor who still living, we require their consent. Therefore, a form will be provided for this purpose.
 - If you are requesting information on a Survivor who has passed, **please make sure you bring proof of death**. Proof of death can include a copy of an obituary, a death certificate, a funeral program, a photograph of the headstone, etc.
- b) Provide a volunteer-written testimony to be incorporated in the final report; this would be appreciated and welcomed as part of this important initiative.

The meeting will occur on **Thursday, March 20th, at 9:30 am at the TTR Hall. The meeting will end at 11:30 am with a lunch.**

TTR Members who are Elders or residential school survivors (who lived on the school premises) will receive an honorarium of \$150.00.

Miigwech,

Don Clarke
Project Manager
