TTR TRADITIONAL KNOWLEDGE CENTER
FOR CLIMATE CHANGE

SEPTEMBER 23TH TO 28TH 2024

Miigwech!

We want to extend our greetings and appreciation to all participants and volunteers of our TTR Duck & Goose Camp 2024!

Your presence made the experience truly special, and we hope you enjoyed every moment spent learning, in nature, and connecting with our traditions, land and each other.

We appreciate your enthusiasm and willingness to engage in the activities, share stories, and honor the traditions that bind us to this beautiful prairie land. Your participation is vital in preserving these practices and learning more about Climate Change to ensure effective adaptation for our future generations.

We hope you left with new insights, friendships, and a deeper connection to the land. If you have any feedback or stories to share from your experience, we would love to hear from you through our survey.

We look forward to seeing you at future activities!
