TRAINING**

Tuesday, May 27th, at 12 pm.

TTR Community Hall

We're excited to invite you to an upcoming meeting to discuss the opportunity of forming a potato growing community co-op at TTR.

This gathering will bring together local farmers, gardeners, and community members interested in working collaboratively to strengthen local food production and improve access to fresh, affordable potatoes.

At the meeting, we'll discuss the community survey currently circulating and introduce a Cooperative Business model.

Whether you're an experienced farmer or a backyard grower, we would love to have your voice at this meeting.

We will have door prizes and lunch!

See you there!
