

TTR Seeking to Locate, Acknowledge and Remember Our Missing Children – Phase II

MEETING INVITATION

Saturday, April 11th, 2026, from 10-11 am

Dear TTR Members,

I would like to take this opportunity to invite you to a meeting to discuss the ***“TTR Seeking to Locate, Acknowledge, and Remember Our Missing Children – Phase II”*** project and activities.

As you are aware, TTR has been working on a new research and engagement initiative to accurately identify members who attended residential schools using official records, with the objective of reducing information gaps and building community awareness. The first phase of this work was successfully completed with your guidance and contributions, and we are now ready to proceed to the next phase.

Please note that this meeting is intended to provide detailed information about current activities, discuss the Engagement Protocol that we are developing with your input, and coordinate the work and valuable involvement of our committee and Elders.

The meeting will take place on **Saturday, April 11th, from 10:00–11:00 a.m.** at the TTR Community Hall.

TTR members who are Elders or residential school survivors (who lived on the school premises) will receive an honorarium of \$150.00.

Miigwech,

Don Clarke
Project Manager
